New in Sunday School

Sunday mornings after worship is a great chance for students to get plugged into God's Word. We have three classes: Junior High Guys, Junior High Girls and High School. Our High

School class is a master teacher format with large/small groups. This year we're studying a series called **ANCHORED**. This is a year-long study divided into three-week studies aimed at helping students be "anchored" in their faith as they study various major Christian doctrines.

D:Groups on Sunday Nights

Join us on Sunday nights this fall for D:Groups from 5:00pm-6:30pm. D:Groups are an opportunity for students to meet in age-appropriate community groups to share a meal, study God's Word and spend quality time in homes with fellow students and adult mentors. All groups will be meeting this fall in Ebenezer youth leader homes in Grove Park.
